Gonna cut my hair, buy a new suit
Learn how to tap-dance, it'll be quite a hoot
I could start wearing dresses, I think I'll look cute
Oh Yeah

I'll take a course in Hebrew, I'll learn how to knit
I'll stop eating pizza, forget how to drink
I can always stop smoking, won't bother me a bit
Oh Yeah

As long as we're making ch-ch-changes
As long as we're making ch-ch-changes
As long as we're making - ch-ch-ch-ch-ch-ch-changes

Everyone says, it's as good as a rest
If it's really what you want, you can put me to the test
But if it's alright with you, I've got one request
Oh Yeah

I'll keep my desk tidy, it's always a mess
I'll do anything, to keep our life fresh
But I wanna stick with you girl, 'cause you're just the best
Oh Yeah

As long as we're making ch-ch-changes
As long as we're making ch-ch-changes
As long as we're making - ch-ch-ch-ch-ch-ch-changes

Change is – illusion, Change is – illusion
Change is – illusion, Change is – illusion
Illusion, Illusion, Illusion

Never-ending ch-ch-changes
Never-ending ch-ch-changes
Never-ending : ch-ch-ch-ch-ch-ch-changes

Never-ending ch-ch-changes
Never-ending ch-ch-changes
Never-ending : ch-ch-ch-ch-ch-ch-changes
