

## Reason

Don't shave your head, if you want to grow your hair  
Don't take a cut, if you don't pay your share  
Don't cry foul, if yourself you don't play fair  
Stop, Think

Don't drink coke, if you don't want to be fat  
Don't buy a Doberman puppy, if you want a cat  
Don't call your mum, if you don't want a chat  
Stop 'n Think, Stop 'n Think

What's the reason? If you care  
What's the reason? Are you there?  
What's the reason? Do you dare?  
What's the reason? Find it for yourself

Don't buy tobacco, if you don't want to smoke  
Don't wear a brown suit, unless you want to be a joke  
Don't buy our CD, if you're really into folk  
Stop, Think

Don't work in a shop, if you want to play guitar  
Don't be a politician, unless you love blah blah  
Don't play the bass, if you want to be a star  
Stop 'n Think, Stop 'n Think

What's the reason? If you care  
What's the reason? Are you there?  
What's the reason? Do you dare?  
What's the reason? Find it for yourself
